FOG RIVER™ VINEYARDS

PASO ROBLES CABERNET SAUVIGNON

Fog River wines are produced from sustainably farmed vineyards in picturesque Paso Robles. These grapes benefit from a long growing season, abundant sunshine, and cool evening Pacific Ocean breezes, resulting in a wine that expresses terroir and true varietal character.

This Cabernet expresses intense fragrances of black currents, ripe black cherries and blackberries with notes of violets, rich mocha and dried spices. It's a big, rich wine with velvety tannins, laced with nuances of cedar, clove and vanilla bean leading to a long, smooth finish.
