

LAS PALMERAS®

2013 Cabernet Sauvignon

Dull garnet black color. Smoky, savory aromas and flavors of grilled peppers, olives, roasted berries, and hint of jerky with a satiny, tangy, fruity medium-to-full body and a graceful, delightful, medium-long spiced cherries, dried currants, and chocolate mint finish with fine, chewy tannins and light oak. An interesting combination of smokiness and juiciness that will play nicely with grilled meats—very distinctive.

Food Pairings: A broad range of food groups from burgers, to beef roasts, game and red pasta dishes.
