## MONTEREY COUNTY SAUVIGNON BLANC

Fog River wines are produced from sustainably farmed vineyards of the picturesque Monterey County. These grapes benefit from a long growing season, abundant sunshine, and cool evening Pacific Ocean breezes, resulting in a wine that expresses terroir and true varietal character.

Our Sauvignon Blanc is crisp and refreshing, with bright aromas of citrus and melon, and with mouth-filling flavors of lemon, lime and fresh cut grass. This lively wine is a perfect match for fresh seafood, lighter fare, and picnics.
