# FOG RIVER™ VINEYARDS

## MONTEREY COUNTY PINOT NOIR

Fog River wines are produced from sustainably farmed vineyards of the picturesque Monterey County. These grapes benefit from a long growing season, abundant sunshine, and cool evening Pacific Ocean breezes, resulting in a wine that expresses terroir and true varietal character.

Our Pinot Noir has delicate floral aromas that give way to lush flavors of strawberry and cherry. On the palate, rounded tannins support a long, polished finish. A perfect match with roasted meat dishes, hearty pastas and cheese.
